Players who represented Pro Touch Community last season 2009/10, who intend to register once again for the new season 2010/11 **will need** to purchase **the new kit**. The reason for this is Puma UK new longer are producing last season kit. The **new 2010/11 kit** will be used by Pro Touch Community for the next three seasons and won't change for three years.

Pro Touch Soccer Academy would like to think that the above is a small contribution towards the huge financial commitment made by Pro Touch Soccer Academy into grassroots community football. We at times secure small donations or grant from various organisations to help us delivery the various teams in Camden, Enfield, Islington and Westminster.

The Puma kit will be owned permanently by the player, if he chooses to leave at anytime throughout the 2010/11 season he won't be expected to return the kit at any point.

No refund will be made once payment have been made
