Dear Parent/Guardian(s),

Re: PTSA – Centre of Excellence New U10s - 16s Training Session at Westminster Academy

I am excited to confirm a new addition to the existing coaching programme provided for the PTSA Centre of Excellence under 10's-16's age groups.

I am pleased to announce we have secured new sports facility in Westminster called **Westminster Academy** - 255 Harrow Road London W2 5EZ **020 7121 0642**. We will be using Westminster Academy - Academy Sport 6 A-Side 3rd Generation pitch every other Friday evening starting **28th October 2011**.

For age groups under 10s and 12s **from 6-8pm**.

For age groups under 14s and 16s **from 6.30-8pm**.

Getting to the Venue: By Tube

Westminster Academy is a 2 minute walk from **Royal Oak tube station** (Hammersmith & City line). When exiting the station turn right, after 50 yards you will reach the Harrow Road. From here turn left, following the main road. Westminster Academy is located just past the Shell petrol station on the left hand side of the road.

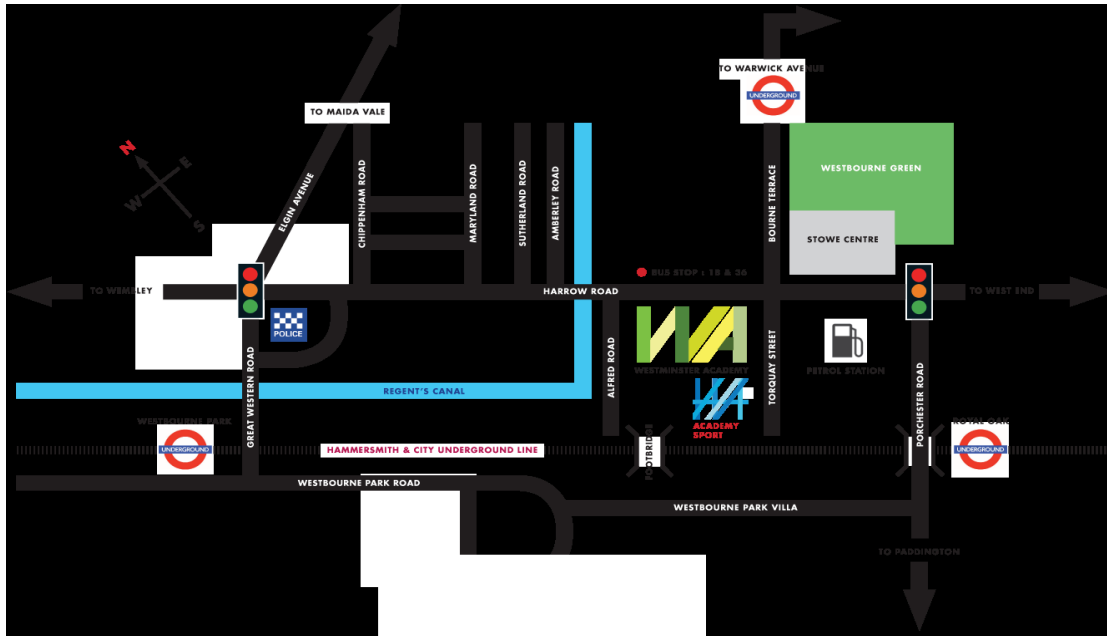

By Rail

Westminster Academy is a 15 minute walk from **Paddington Train Station**. A cab may be taken from the station taxi rank or alternately exit via the Bishop's Bridge Road and turn right onto the Harrow Road (see map opposite).

By Road

Westminster Academy is located next to the Paddington exit of the A40 Westway (see map opposite). Underground car parking is available, but please contact us 24 hrs prior to your arrival to be assured of a car parking space.

Please see detailed map below.

Please attend wearing your full PTSA training dress code. Also members to contribute £3 subs towards the costs for hiring pitch facilities and paying for the CoE Coaches.

If you require any further information, please contact your child's Head Coach direct on their mobiles or can speak with me either by calling 07506 245 769 or emailing me ransah@protouchsocceracademy.com if you have any confidential points you wish to address.

Thank you in advance and look forward to seeing you all very soon.

Yours in football,

Ray Ansa
CoE Development Manager
