Dear Head Teacher;

RE: Pro Touch Soccer Academy – Lisboa Cup 2012, Portugal Residential

My name is **Mus Turay**; I work as the **Academy Project Manager** for Pro Touch Soccer Academy (PTSA) where _____ date of birth ___/___/___ is registered as a member of our elite programmes. I am also managing our annual one of two international projects that involves taking some of our deprived and disadvantaged as well as some privileged young people aged between 10 and 13 years old to Portugal. We are taking 28 students from across the London boroughs including Camden, Hackney, Islington, Enfield, Newham, Tower Hamlets and Westminster etc. We will be traveling from **23rd June – 1st July 2012**.

The week long Lisboa Cup (www.lisboacup.com) international residential is an annual social youth and football related event. It's one of the largest football tournaments in the World, with over 70 teams from around the world and over twenty thousand people expected, using football as a tool to unite youths sharing and exchanging their personal life and cultural experiences.

The PTSA experienced staff and educators will be delivering informal educational workshops covering various topics including anti-racism, cultural/religion, health and nutrition related.

This unique once in a life time residential is not an opportunity many inner city children and young people would get every year. Therefore PTSA would like to kindly ask the school for your support in allowing (player named) to have the last week of June absent from the school.

If you require any further information, please contact me on the above details

Kind Regards

Mus Turay
